How to Build a GLOBAL ECONOMY

**Guest
Speaker**
Maureen
GEDDES,
MBA, C.H.R.P.

Why build a global economy? Many businesses today operate globally or serve a highly culturally diverse customer base right here in Canada. Our future peace and prosperity depends on our understanding of cultural differences. Internationally renowned speaker, Maureen Geddes, prepares businesses and communities to “THINK GLOBAL”! Join us on January 16th for a vision of a competitive and prosperous Hamilton built on the advantage of cultural diversity.

Monday, January 16th, 2006, 2:30 PM to 4:30 PM

Welcome to HTAB's Eighth Annual General Meeting!

Monday, January 16th, 2006, 2:30 PM to 4:30 PM
Worker's Arts and Heritage Centre, 51 Stuart St., Hamilton

This year's AGM will feature Maureen Geddes' discussion of cultural diversity and its impact at the municipal level. Building a "global community" is integral to Hamilton's future prosperity and Ms. Geddes will suggest a course of action based on her extensive national and international experience in integrating diversity.

In addition, HTAB's work in the areas of immigrant skills, workforce development, and local labour market research will be showcased in a presentation and in our free publications available at our display table.

Join us for this opportunity to learn about Hamilton's current labour market trends and priorities. **Register by calling 905-521-5777.**
