

The Awakening

- **What or Who stops you in your life and Where do you give your power away?**
- **Have you been stuck in a relationship, job, or state of mind for too long?**
- **Are you dissatisfied with any relationships, including self, family, or life partner?**
- **Do you want to break free and live outside "The Box"?**

The Awakening is an extra-ordinary, life transforming, 2-day experience about coming into awareness or consciousness of who you really are. You awaken to how you have designed your existing life and the power you have to deliberately recreate a life of confidence, success, prosperity, power and love. It turns a light on inside of you and gives you a deeper look at your true self, your divinity.
